Name: _____

SEAHAVEN CASE FILE: Spot It

Date: _____

Truman's whole life is a TV show, and he doesn't know it. You're the investigator. Spot the Unit 1 sociology hiding in his world.

1. **Watch the movie.** No need to write the whole time.
2. **Spot an idea?** Check the box and write a few words about the scene.
3. **Goal: 4 of 5.** Turn it in when the movie ends.

GOT IT	THE IDEA (and what to watch for)	SCENE I SAW (a few words)
☐ 1	**Sociological imagination:** your own problem is part of a bigger pattern. *Watch for: Truman connecting weird events.*	
☐ 2	**Conflict theory (Marx):** people with more power and money use it over others. *Watch for: who controls Truman, and who profits.*	
☐ 3	**Symbolic interactionism:** things mean what people decide, and meanings can change. *Watch for: an object that means something new later.*	
☐ 4	**Informed consent (ethics):** people must know about a study and agree to be in it. *Watch for: proof Truman never said yes.*	
☐ 5	**Harm and deception (ethics):** researchers can't hurt or trick the people they study. *Watch for: the show lying to Truman or endangering him.*
